Dated 12. 7. 85

The Commandant

Sub:- Opening of a Kendriya Vidyalaya at Dhar Road.

Sir,

I am to say that the Assistant Commissioner, Kendriya Vidyalaya Sangathan(JR) has visited the proposed site for opening of a new kendriya vidyalaya at Dhar Road and following observations are made :-

- i) Land & Temporary accommodation: 15 acres of land has been earmarked. This consist of 4.5 acres of Army School building and barrack area of 11 acres at a distance of 1 k.m. from Army School building. The Army School building and barracks have been offered as temporary accommodation for housing the school. It may please be ensured that the Army authorities will demolish the barracks at their own cost when Sangathan constructs its own building for the Vidyalaya.
- ii) Residential Accommodation: Assistant Commissioner, Jammu has intimated that you have agreed to provide residential accommodation to 100% staff of proposed Kendriya Vidyalaya.
- iii) In the survey report dated 25.4.85 it has been mentioned that a Kendriya Vidyalaya may be opened from classes VI onwards but in the revised survey report dated 8.7.85 it is stated that a new K.V. from Classes I-X may be opened. In this connection it is made clear that as per K.V.S. policy the Sangathan opens a new K.V. initially with Classes I-V ~~only~~ only. Higher Classes are added one by one as a consequential increase every year.
- iv) Sangathan will not take over liability of existing staff and students of the unit school.
- v) Kendriya Vidyalaya Sangathan standard terms and conditions as per Annexure II (Copy encl) may please be accepted and sent to this office in quadruplicate.
- vi) Separate toilets may be constructed in the barracks.

Further action will be taken on receipt of above information/confirmation.

Yours faithfully,
